

ORGANIZER AND DIRECTOR OF THE COURSE

Daive Smarrelli

INVITED FACULTY

(in alphabetical order)

Daniele De Spirito

Norman Della Rosa

Andrea Ghezzi

Max Haerle

Jan-Ragnar Haugstvedt

Caroline Leclercq

Riccardo Luchetti

Elena Marta Mancon

Frank Nienstedt

Simonetta Odella

Giorgio Pajardi

Chiara Parolo

Sandra Pfanner

Elisa Rosanda

Jörg van Schoonhoven

Alberto Sgarbossa

REGISTRATION

Registration fee has been set at 300€ + 22% VAT and is inclusive of attendance of the course, lunch and coffee breaks when applicable

You can register online accessing <http://www.studioprogress.it> in the NEXT MEETINGS section.

PATROCINI RICHIESTI

BERGAMO

16th - 18th March 2023

16th MARCH 2023

- 14.30 Introduction & presentation of the course
- 14.45-18.30 DUPUYTREN DISEASE CHAIRS: Giorgio Pajardi, Caroline Leclercq**
- 14.45-15.00 Generalities: biology and genetics, anatomy, pathoanatomy and classifications. *C. Parolo*
- 15.00-15.05 Non-operative treatment? *D. Smarrelli*
- 15.05-15.10 Other strategies: from shock waves through lipofilling to distraction lengthening. *D. Smarrelli*
- 15.10-15.15 DEFINITION of RECURRENCE in Dupuytren: (NO TREATMENT here). *E. Rosanda*
- 15.15-15.35 Fasciectomy: is still trendy? indications-timing-technique-controversies. *S. Pfanner*
- 15.35-15.45 COMPLICATIONS OF SURGERY AND FASCIOTOMY. *D. De Spirito*
- 15.45-16.05 Flaps, grafts and SALVAGE PROCEDURES. *J. van Schoonhoven*
- 16.05-16.15 The role and timing for Hand Rehabilitation. *E. M. Mancon*
- 16.15-16.40 **Discussion (Moderator: C. Leclercq)**
- 16.40-17.10 *Coffee break*
- 17.10-17.20 Percutaneous needle fasciotomy: indications-timing-technique-controversies. *N. Della Rosa*
- 17.20-17.40 COLLAGENASIS: our experience - up to date and which is the future in Italy? *G. Pajardi*
- 17.40-18.00 COLLAGENASIS: our experience - up to date and which is the future in Europe? *C. Leclercq*
- 18.00-18.30 **Discussion Pajardi & Leclercq: Needle or collagenesis? (Moderator: G. Pajardi & C. Leclercq)**

17th MARCH 2023

- 09.00-16.30 DISTAL RADIOULNAR JOINT - TFCC CHAIRS: Alberto Sgarbossa, Simonetta Odella**
- 09.00-09.20 Distal radio ulnar joint: anatomy, arthroscopic anatomy and general biomechanical concepts. *J. R. Haugstvedt*
- 09.20-09.35 Ulnar wrist pain: general concepts, clinical and radiological diagnosis, examination. *S. Odella*
- 09.35-09.45 DRUJ: arthroscopic anatomy and benchmarks. *D. Smarrelli*
- 09.40-09.50 Classification of TFCC lesions: what do we really need to know - which is more suitable? *A. Ghezzi*
- 09.50 -10.00 TFCC Arthroscopic debridement. *A. Sgarbossa*
- 10.00-10.10 TFCC Arthroscopic peripheral repair *A. Ghezzi*
- 10.10-10.20 TFCC Arthroscopic transosseous repair *M. Haerle*
- 10.20-10.30 TFCC Open reinsertion *J. van Schoonhoven*
- 10.30-10.45 **Discussion, round table: why & when: arthroscopic or open (Moderator: M. Haerle)**
- 10.45-11.15 *Coffee break*
- 11.15 11.30 Complications and reoperations after triangular fibrocartilage complex (TFCC) debridement. *J. R. Haugstvedt*
- 11.45-12.00 Treatment of chronic distal radioulnar joint: TFCC reconstruction. *M. Haerle*
- 12.00-12.15 Lunotriquetral disorders: my approach *J. R. Haugstvedt*
- 12.15-12.30 Ulnar styloid fractures/non-unions: to fix or not to fix? *J. van Schoonhoven*
- 12.30-12.45 **Discussion (Moderator: J. R. Haugstvedt)**
- 12.45-14.00 *Lunch*

- 14.00-16.00 DISTAL RADIOULNAR JOINT-Osteoarthritis CHAIRS: Jörg Van Schoonhoven, Sandra Pfanner**
- 14.00-14.10 Surgical approaches and surgical principles to DRUJ. *F. Nienstedt*
- 14.10-14.20 Ulnar Impaction Syndrome: principles, diagnosis and classification *D. De Spirito*
- 14.20-14.35 Ulnar variance: varieties and clinical implications (PSI) *J. R. Haugstvedt*
- 14.35-14.45 Wafer osteotomy: arthroscopic and open treatment: why-when-controversies *A. Sgarbossa*
- 14.45-14.55 Ulnar shortening: why-when-controversies *F. Nienstedt*
- 14.55-15.05 Resection techniques & Hemiarthroplasties *S. Pfanner*
- 15.05-15.15 Arthrodesis: kapandji and other techniques *S. Pfanner*
- 15.15-15.25 Hemi-prosthesis distal radioulnar joint *S. Odella*
- 15.25-15.45 UHP & arthroplasties, resection, arthrodesis & salvage procedures: overview *J. van Schoonhoven*
- 15.45-16.00 **Discussion (Moderator: J. Van Schoonhoven)**

16.00-16.30 *Coffee break*

- 16.30-17.45 3D PLANNING, PATIENT SPECIFIC IMPLANTS & CORRECTIVE OSTEOTOMIES CHAIRS: D. Smarrelli, D. De Spirito**
- 16.30-16.40 The evolution of 3D planning & patient-specific implants in hand surgery *J. Winker*
- 16.40-16.55 Extraarticular distal radius malunion *M. Haerle*
- 16.55-17.10 Distal radius malunion *C. Leclercq*
- 17.10-17.30 Forearm & Madelung corrective osteotomies *J. R. Haugstvedt*
- 17.30-17.45 **Discussion (Moderator: J. Van Schoonhoven)**

18th MARCH 2023

- 09.00-10.35 SCAPHO-LUNATE LIGAMENT fresh lesions CHAIRS: F. Nienstedt, Norman Della Rosa**
- 09.00-09.10 Anatomy and biomechanical principles. *F. Nienstedt*
- 09.10-09.20 Clinical examination and the role of imaging. *N. Della Rosa*
- 09.20-09.30 Arthroscopic principles & patterns of lesions. *A. Sgarbossa*
- 09.30-09.35 Current state of classifications. *R. Luchetti*
- 09.35-09.40 Controversies and persistency of scapholunate diastasis: what does it really mean? *R. Luchetti*
- 09.40-10.00 Arthroscopic repair of scapholunate lesions *M. Haerle*
- 10.00-10.10 Open surgery: Capsulodesis. *D. Smarrelli*
- 10.10-10.25 Open surgery: Surgical approaches: tips & tricks *F. Nienstedt*
- 10.25-10.35 Open surgery: Tenodesis.

10.40-11.00 *Coffee break*

- 11.00-13.30 SCAPHO-LUNATE LIGAMENT: chronic lesions CHAIRS: R. Luchetti, Davide Smarrelli**
- 11.00-11.10 Reconstruction of SL Ligament: overview of techniques (btb-rasl-slam, apis...) *N. Della Rosa*
- 11.10-11.20 Reconstruction of SL Ligament: what's really new? *R. Luchetti*
- 11.20-11.40 Resuming and meta-analysis. *F. Nienstedt*
- 11.40-11.50 Combination of techniques: an alternative view *M. Haerle*
- 11.50-12.00 Pitfalls and complications of scapholunate surgery *M. Haerle*
- 12.00-12.30 Three clinical cases with interactive discussion.
- 12.30-13.30 **Round table & discussion. M. Haerle/ R. Luchetti/ F. Nienstedt**

Meeting closure & presentation of 2024 edition
